45th ROUND TABLE ON CURRENT ISSUES OF INTERNATIONAL HUMANITARIAN LAW

“After the conflict before the peace: legal, military and humanitarian issues during the transition”

7-9 September 2022

The International Institute of Humanitarian Law and the International Committee of the Red Cross are pleased to invite you to join the 45th Sanremo Round Table on:

“After the conflict before the peace: legal military and humanitarian issues during the transition”

The Round Table, with the participation of high-level international experts and practitioners, will investigate some of the crucial issues regarding the application of IHL in post-conflict situations, by examining the lessons learned from recent operations, as well as the legal, military and humanitarian issues experienced during post conflict transitions.

Hopefully, this year the Round Table will be held in Sanremo most probably in a hybrid format with sessions allowing for remote participation.

More information regarding agenda, speakers, registration, and logistics, will be made available on the Institute’s website at this link <http://iihl.org/sanremo-round-table/> as soon as date and format will be confirmed.
